

Bro Bolaji Ismail

I'm originally from Lagos, Nigeria. I was born and raised in the mainland city of Lagos by Muslim parents but Christ Jesus came into my heart in 1987 when I was in secondary school. It has been an amazing journey ever since.

I have been serving God in different capacities all through the years following my conversion to Christianity.

I served as youth pastor in my local church in Lagos for some years, as a leader in the campus fellowship during my undergraduate, a church planter and as a pastor of a local church in Washington United Kingdom for seven years.

I met my sweetheart Theodora in the University and we got married in 2004. We are blessed with two amazing kids. My wife has been my rock through the years using her numerous gifts to support our ministry work and the children.
