

Rev Mark and Sandy

Mark and Sandy are originally from London. They both found Christ while at university, and met one another at a Bible Study in Central London. After university Mark trained for ministry at Trinity College, Bristol and Sandy trained to be a Science teacher in London.

They have been in pastoral work since 1976; their first church being in North West London, where they married in 1977. In 1983 God guided them to the North East, which they now consider to be their home. Over the years they have formed many strong friendships and links with other churches and fellowships in Tyneside and have seen God maintain unity amongst Christian leaders.

Mark and Sandy have 3 children and 5 grandchildren that they enjoy seeing regularly. Mark loves preaching, evangelism, riding his electric bike, walking in the Lake District and reading history books. Sandy enjoys teaching, playing the piano and leading worship and in her spare time, walking the dog and reading.
